

October 10, 2016

On behalf of the Oklahoma Education Association's Fund for Children and Public Education (FCPE), I am pleased to announce our decision to recommend Representative Katie Henke for re-election in Oklahoma House District 71.

The FCPE is committed to "fulfilling the promise of public education for every student to succeed in a diverse and interdependent world." Representative Henke is a strong advocate for public education at the Oklahoma State Capitol. Throughout our time working together, we have found that Henke is truly interested in working with educators to find common sense solutions to complicated issues that face Oklahoma's public education system. Representative Henke understands the potential harmful effects of issuing vouchers, the complications that arise from implementing laws such as the third grade reading law and the importance of retaining quality teachers in our public schools.

For the above stated reasons, we are proud to recommend Representative Henke for re-election in House District 71.

Sincerely,

Alicia Priest
President
